<tr>
<td>Performance Contracting</td>
<td>The Performance Contracting status as a feasible way to finance some of the infrastructure remodeling/replacement of antiquated equipment is currently being vetted by Mr. Dobry and Mr. Wayt with the MCHD Board. They’re soliciting feedback from other hospitals who’ve undergone performance contracting coordinated through the Colorado Energy Office. This work is a requirement of the DOLA (Dept of Local Affairs) to apply for available grant money to remodel/replace equipment in the older part of the facility. Once feedback and details have been received, MCHD and SHS will have to decide how to move forward with these projects.</td>
</tr>
<tr>
<td>Holiday Board Meeting Schedule</td>
<td>After discussion, it was decided to schedule the annual and regular Board meeting for November and December on December 4th at 5 pm in the EMS</td>
