NOTICE TO OUR PATIENTS

Thank you for choosing us as your healthcare provider. We look forward to providing an office environment and provider relationship that meets you and/or your family's medical needs.

Items to bring to your first appointment:

1. Driver's license or other photo identification.
2. All insurance cards.
3. Co-pays or payment in full at the time of your visit if you are not covered by insurance.
4. Actual bottles of all medications (prescribed and over the counter) that you are currently taking.

No-Show Policy

Our policy is to call patients the business day prior to their scheduled appointment to remind them of the appointment date and time. We perform these calls as a courtesy to our patients and to allow us the opportunity to reschedule the time slot should the appointment not be necessary. A phone call from you to cancel your appointment will allow us to schedule another patient that needs to be seen. Recognizing that everyone's time is valuable and that appointment time is limited, we ask that you provide **24 hours notice** if you are unable to keep your appointment. This will allow us to call one of our patients on a waiting list to fill the available slot on the schedule.

To improve care for our patients, we will track all "No-Show" visits. Each patient will be allowed to miss two scheduled appointments within a **one year period** without penalty. Once a third appointment is missed, the patient will be at risk of being discharged from the practice or the Southwest Medical Group. To prevent this from happening, patients shall receive a letter each time they no-show for an appointment reminding them of our no-show policy.

For the purposes of this policy, a no-show appointment is defined as follows:

1. An appointment which is missed by the patient without any advance notice.
2. An appointment that is cancelled less than 24 hours prior to the scheduled appointment time.
3. An appointment in which the patient arrives 5 minutes or more beyond the scheduled appointment time.

Due to the check-in process, we request patients arrive 15 minutes prior to their scheduled appointment time to spend their allotted time with their provider. Failure to show for the initial "new patient" appointment may eliminate your opportunity to establish care as a new patient.

Rx Refill Policy

Our policy is to refill patient prescriptions within 72 (business) hours of receiving the request. Please do not wait until you are completely out of medication or you will likely do without until the refill can be processed.
