About Blended Learning/HeartCode:

HeartCode® is a self-directed, comprehensive eLearning program that uses eSimulation technology to allow students to assess and treat patients in virtual healthcare settings. Students are presented with a team dynamics lesson, case scenarios, and a written exam. Psychomotor skills are reviewed and tested in-person during a skills session.

To Register:

Meghan Higman @ mhigman@swhealth.org /564-2160

Heaven Tankersley @ htankersley@swhealth.org /565-2168

Fees:

Southwest Health System employees attend free

Non-employee fees are: \$15 BLS, \$20 CPR&FA, \$150/Traditional ACLS/PALS OR \$65/HeartCode ACLS/PALS/NRP

The AHA strongly promotes knowledge & proficiency in BLS, ACLS, & PALS and has developed instructional materials for this purpose. Use of these materials in an educational course does not represent course sponsorship by the AHA. Any fees charged for such a course, except for a portion of fees needed for AHA course material, do not represent income to the Association.
